VISITORS TO THE SCHOOLS

All visitors must report to the office to obtain a pass. A Board of Education Policy has been established to govern visitors to the Fox C-6 School District buildings. It reads as follows and will be strictly enforced:

Parents and patrons to the school district may visit schools and join the Board in improving the instructional programs. However, all visitors during the regular school day shall check in at the office prior to proceeding elsewhere in the building. Visitors may be requested to provide a photo I.D. The Board and administration will not tolerate any person or persons whose presence disturbs classes, school activities, hinders the instructional process or risks the safety of staff and students. If such persons will not leave the school premises upon request, the building principal or his/her designee may contact the proper authorities.

ATTENDANCE AND REPORTING ABSENCES

Students should arrive at school between 7:50-8:10. Students are to leave the school grounds when dismissed at 3:10pm. Students are not to be on playground equipment before or after school unless supervised by an adult.

Regular school attendance is essential to the process of education. Students can only achieve their full potential for learning if they consistently attend school. It is the parent's responsibility to see that the student attends school regularly. Parents are requested to call the office at 464-2010 when their children are going to be absent. Students that have been absent must bring a note written and signed by the parent to the teacher stating the date and reason for absence.

ATTENDANCE PROCEDURE

Student's attendance is compiled by the number of hours they attend each day. Hours missed due to early dismissals or late arrivals are counted against your child's attendance record. Please try to schedule appointments after the school day is completed if possible.

POLICY FOR PARENTS' TRANSPORTING CHILDREN

Rockport Heights has very limited space for parking during bus arrival and bus departure times. (7:50A.M. – 8:10 A.M. and 2:50 P.M. – 3:10 P.M.) Parking is not allowed in front of the building during these hours. If you choose to drive your child to school please observe the signs posted for buses and cars. If you would like to walk your child into the building in the morning, you will need to park in a parking space or park near the ball field. You will not be allowed to park in front of the building and leave your car. This area is for parent drop off only. Your cooperation is necessary for the safety of our children and for smooth traffic flow. THANK YOU!

LATE ARRIVALS OR REARRIVALS

If a student arrives at school late or is coming back to school from a doctor/dentist appointment, the **parent must sign him or her in at the office** where a pass will be issued to admit the student to class.

CALLING SCHOOL WITH MESSAGES FOR CHILDREN

Occasionally, parents need to get messages to their children regarding a change in plan or their after school transportation and such. We do not mind to relay these messages occasionally, but it is most important that you call before **2:00pm** if you need to inform your child of a change in plans. Please do not call with messages for students unless it is an emergency nature.

POLICY FOR PICKING CHILDREN UP DURING SCHOOL HOURS

Parents who come to pick up children during the school day must check in at the office. We ask that you do not go to the classroom to pick up your child, the office will call the classroom and your child will come to the office. For your child's protection, only the parent or guardian will be allowed to pick the child up from school. If it is necessary for someone other than you to pick the child up, **A NOTE FROM YOU GIVING YOUR PERMISSION FOR THAT PERSON TO PICK YOUR CHILD UP WILL BE REQUIRED.**

POLICY FOR PICKING CHILDREN UP AFTER SCHOOL

The bell for parent pick up will ring at 3:00 p.m. At that time the students who are parent pick up will go to the library to be checked out daily. A parent or guardian will need to sign the student/students out with the designated staff member on duty. This procedure is for the safety of our children

The bell for bus riding students will ring at 3:05 p.m. At that time the teachers will walk the students out to the buses.

MAKE-UP WORK POLICY

All Students should make up work missed when out of school for excused absences. The students will receive appropriate credit for all excused absences.

- a. An Excused Absence: Student or family illness, death in family, or other emergency type situations.

- b. Un-excused Absence: Family on vacation, visits to grandparents out of town, overslept, missed bus, etc (except when bus does not run for some reason). Make-up work for unexcused absences will be allowed at the discretion of the teacher and according to the teacher's time schedule. However, some teachers do not allow for credit or a grade to be given for un-excused absences.

Teachers will not be required to have homework ready ahead of time when families are going out of town for a few days.

NOTE: It is difficult for teachers to plan make-up work ahead of time as it is nearly impossible to determine how much progress will be made by the class each day.

For those parents wanting to pick up homework for their children who are sick or absent should call the school office by 9:00 a.m. Homework will not be available for pick up before 3:00 p.m.

CONFERENCES AND VISITS

We have two Parent/Teacher Conference Nights scheduled for the school year. See the School Calendar for those dates. In addition, conferences with teachers may be arranged by note or by telephoning the school. Feel free to contact the principal whenever you have a concern or question.

VOLUNTEER PROGRAM

Rockport Heights Elementary School offers parents, grandparents, college students, and community members the opportunity to volunteer at our school. Volunteers choose the opportunity that interests them and decide how many hours and which days they wish to contribute. For the safety of our children and school every volunteer must complete a Fox C-6 Board Approved Volunteer Form prior to volunteering in our school. We ask that when spend time volunteering or chaperoning field trips that you do not bring other children with you during these times. Accompanied children can cause volunteers to become distracted. Your cooperation is very much appreciated.

SCHOOL CLOSINGS, EARLY DISMISSALS, NATURAL DISASTERS

During the school year it may be necessary to cancel or dismiss students early due to an emergency situation. Such situations may include winter storms, utility failures (electricity, water, and gas), fire extreme coldness or natural disasters including flooding, earthquakes, or tornadoes.

In the event of an emergency condition that necessitates early dismissal:

1. The district transportation department will make every effort to transport all students home as soon as possible.
2. No child will be allowed to leave with another person, even a relative or babysitter unless we have written permission to that effect in the student's file or presented to us at the time the child is taken.
3. All parents or designated parties who come for students must have them signed out at the school office or temporary Student Release Station.
4. **BECAUSE AN EARLY DISMISSAL CAN HAPPEN AT ANY TIME, ESPECIALLY DURING THE WINTER MONTHS, YOU ARE URGED TO MAKE CHILDCARE ARRANGEMENTS NOW. IF WE ARE ABLE TO TRANSPORT YOUR CHILDREN, IT IS ESSENTIAL THAT SOMEONE BE PREPARED TO CARE FOR THEM WHEN THEY ARRIVE HOME.**

SCHOOL CANCELLATION OR EARLY DISMISSAL INFORMATION WILL BE ANNOUNCED ON THE FOLLOWING RADIO STATIONS;

KMOX 1120AM, WIL 92.3 FM, KX0K 630AM AND KJFC 1430AM AND WILL ALSO BE AVAILABLE ON THE DISTRICT WEBSITE AT fox.k12.mo.us

PLEASE DO NOT CALL THE SCHOOL OFFICE TO SEE IF SCHOOL IS DISMISSING EARLY! THE SCHOOL PHONES NEED TO BE LEFT OPEN

FOR EMERGENCY CALLS ONLY. YOUR COPPERATION IS APPREICATED IN THIS MATTER.

COLD WEATHER POLICY

When the weather turns cold, please remember to make sure that your child has a warm coat and gloves/hat with them daily. We do take the children outside as much as possible for some fresh air and exercise. If the wind chill or temperature is 20 degrees and below we will **not** take the children outside.

BREAKFAST PROGRAM

A breakfast program will be available to any student who wants to participate. All students will be charged \$1.25 for breakfast, (subject to change annually) unless they qualify for free or reduced prices, in which case, they will only be charged 30 cents. The breakfast menu will include one hot item such as sausage biscuit every morning, an alternate choice of cold cereal, milk and juice. The breakfast will be served in the cafeteria starting at 7:50am.

CAFETERIA LUNCHESES

A HOT LUNCH PROGRAM IS OFFERED TO ALL STUDENTS. Students may either bring their lunch or participate in the hot lunch program. Hot lunches can be purchased on a monthly, weekly, or daily basis. Lunch cost is \$2.05 subject to change annually. Milk can be purchased separately for a charge of \$.50.

CHARGING FOR LUNCHESES WILL BE PERMITTED ON AN EMERGENCY SITUATION ONLY.

Children are discouraged from charging more than one day in a row. Students may purchase the following items individually: white milk, a variety of flavored milk, fruit drink and ice cream. Bakery goods will be offered at various times throughout the school year.

Free and reduced lunches are available to qualifying families. For details regarding free and reduced lunches, request a form or contact the school or cafeteria office. Reduced lunch prices are 40 cents. Any child that qualifies for reduced prices qualifies for reduced prices for breakfast and lunch.

“SNAP” LUNCH PROGRAM

We are on SNAP (Student Nutritional Accountability Program). This is a computerized accounting system. An account is established for all students. An I.D. card is used to access your child’s food account. The money put on your child’s account can only be used in the cafeteria. You can send in one check for all

your children. We send home negative balance letters twice a week. We are trying to become a cashless line. With their I.D. card the student's pay for a breakfast tray, lunch tray, a sack lunch if needed for a field trip and the snacks that we sell. Snacks consist of: cookies, variety of juices and milks, water, fruit roll ups, chips, Little Debbie's and nutritional bars. Parents do have the option to put a limit on the child's account for snack purchases. At the end of the school year your child's unused funds transfer into their account for the following year. If you move to another Fox District School your money in your child's account will transfer to the new district school. If you have any questions regarding the SNAP program please call the cafeteria manager.

BULLY FREE

We, at Rockport, believe that every child has the right to learn without distraction from others, to feel safe from verbal, physical, and emotional abuse from others, to enjoy lunchtime and free time without teasing and bullying, and to expect appropriate and not hurtful communication from others. This is why we have adopted a "Zero Tolerance" approach to bullying as outlined in our new discipline plan. Information concerning this plan has been made available to parents and will now be a part of our enrollment papers. The signed portion of this form will be stored in each student's permanent file.

Our new pledge is as follows:

*I pledge to do what is right,
To be a friend and not to fight,
To treat others with respect,
To try to help and not reject,
To be the best "me" I can be,
And make a school that's bully free.*

ADMINISTERING MEDICINES TO STUDENTS

If under any circumstances a child is to take oral medicines during school hours and the parent cannot be at school to administer the medication, the school nurse and/or the principal’s designee will administer the medication in compliance with the regulations that follow:

PRESCRIPTION DRUGS shall be in the original container labeled with the physician’s prescription. Parents shall authorize school personnel to give medication. This authorization can be in the form of a note to the school acknowledging the parent’s approval, dosage, times and amounts, date prescribed,

name of medicine, purpose of medicine, possible side effects, and termination date for administering the medication. It is suggested that there be enough dosage sent to school for the day, not the entire amount of the prescription.

NONPRESCRIPTION DRUGS that are taken orally may be administered under the supervision of the school nurse and/or principal's designee as authorized by the parent. Students are not to carry medication with them at school. The same authorization method mentioned under "prescription drugs" should be used.

It is the policy of this District that the District will not knowingly administer any medication to a student if the District's registered professional school nurse believes, in his/her professional judgment, that such administration could cause harm to the student, other students, or the District itself. Such cases may include, but are not necessarily limited to situations in which the District is being asked to administer medication in a dosage that exceeds the highest recommended dosage listed in the current annual volume of the Physician's Desk Reference. The parent/guardian of the student must assume responsibility for informing school personnel of any change in the student's health or change in medication.

Based on the type of information received, he will take appropriate action and make the appropriate

referral. The caller does not need to leave any identifying information, but may do so if you wish. If the information is not school related, the appropriate public officials will be notified. The recorded message on the SAFELINE will instruct the caller as to what information is necessary to leave.

The purpose of the SAFELINE Program is to allow students to report situations without the fear of reprisal. It also gives other persons another way of reporting information that may be essential in either preventing a crime or solving one related to the Fox C-6 School District. Situations that could be reported include weapons violations, drug activities, property damage, assaults, child abuse, severe emotional problems, and safety concerns. In several of the recent school tragedies, students had information before the incidents occurred, but chose not to get involved. SAFELINE is one way to prevent this in our District.

PARENT ORGANIZATIONS

Rockport Heights Elementary has an excellent parent organization. The “Parents” Club meets on the first Thursday of the month. There are two meeting times scheduled. There will be a morning meeting at 8:30 and an evening meeting at 7:00. All parents are encouraged to participate. For additional information, please contact the school office.

FOOD FOR PARTIES

The Fox C-6 District has a policy on food distribution. **We ask that all food be commercially prepared or individually wrapped.** Any bulk items such as potato chips or popcorn should be distributed with gloves that can be obtained from our kitchen. Items such as bakery items or pizza from a health department approved restaurant or food vendor should be sealed in a closed container. All drinks should be store bought without the seal broken.

If you are planning to send a treat, please send a note to your child’s teacher first explaining what you would like to send and when you would like to send it. Do remember that some children have food allergies and the teacher may have to make other arrangements for that child.

Remember the best way to prevent the spread of disease is through careful hand washing especially after visiting the bathrooms. Please encourage your children to wash their hands frequently throughout the day, use a tissue when coughing or sneezing and not to share food or utensils with others. The children’s health and

well-being are our first consideration. Please help us to keep the children healthy and safe.

ACCELERATED READER PROGRAM

Accelerated Reader Enterprise is a computer program that allows students to take a short, multiple choice quiz on each book read. Although the Enterprise program has access to over 120,000 reading practice tests, please check that the book read has a quiz available by using AR book finder.

Each student will be assigned a user name and password at the start of the school year. This information will allow students to take their own quiz and will allow parents to monitor their child's progress using the Home Connect feature. A letter containing your child's username, password, and directions for using the Home Connect feature will be sent home at the beginning of the school year.

***The Home Connect feature does not allow students to take tests from home.**

How Accelerated Reader (AR) works:

*Students will begin the school year by taking a STAR test which will establish his or her reading range. Some Teachers will administer the STAR test several times during the school year to monitor students' progress.

*The reading level range or zone of Proximal Development (ZPD) is the range within which your child should select his or her books. Students should not be taking quizzes outside their reading range.

*After the student selects a book in his or her range and has carefully read the book he or she can take the corresponding quiz on the computer. The student will type in his or her username and password into the AR program. Next he or she will type in the book title or the quiz ID number to take the correct quiz.

*The quiz will be in a multiple choice format. After the quiz is completed, students will receive their score in a percentage format. Points are awarded for passing a quiz.

*Teachers will be looking for students to pass with 80% accuracy or above.

*Teachers will set a goal for each student every quarter. The goal is based on several criteria including, but not limited to, the number of weeks in the quarter and your child's reading level range.

STANDARD COMPLAINT RESOLUTION PROCEDURE FOR NO CHILD LEFT BEHIND PROGRAMS

This complaint resolution procedure applies to all programs administered by the Missouri Department of Elementary and Secondary Education under the No child Left Behind Act (NCLB).

A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied, or misinterpreted by school district personnel or by Department of Education personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed; it will provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied, or misinterpreted. The written, signed complaint must be filed and the resolution pursued in accordance with local district policy.

The Fox C-6 School District implements the following procedures for resolving complaints, which may arise concerning possible violations of the provisions of all Federal Programs:

- 1.) Complaints may be filed by parents, advisory councils, and district staff members, concerned organizations, or individuals within the Fox C-6 School District.
- 2.) To be considered, the complaint should allege a violation of the Elementary and Secondary Act; the General Education Provisions Act as it applies to all Federal Programs: any state rules or guidelines; or the application as approved.
- 3.) The complaint should be in writing and signed by the individual or his representative and submitted to the Federal Programs Coordinator for the Fox C-6 School District.

4.) Unless unusual circumstances arise, 30 days will be the maximum time for investigating

and resolving the complaint by the Federal Programs Coordinator.

5.) The Fox C-6 School District will provide the complainant, his representative, or both an

opportunity to present evidence regarding the complaint and opportunity for the complainant to

question the parties involved.

6.) A written decision will be rendered by the Fox C-6 School District to the complainant, the

Missouri Department of Education, and DAC and provided to all parties involved within 30 day of the filing of the original complaint. (Note 3.above)

7.) The complainant may appeal the decision to the Missouri Department of Education with 30

days of receiving the decisions of the Fox C-6 School District Federal Programs Coordinator.

8.) Complaint procedures will be disseminated annually to interested parties including all

advisory councils with the Fox C-6 School District.

If the issue cannot be resolved at the local level, the complainant may file a complaint

with the Missouri Department of Education. If there is not evidence that the parties have

attempted in good faith to resolve the complaint at the local level, the Department may require

the parties to do so and may provide technical assistance to facilitate such resolution.

Any persons directly affected by the actions of the Department may file a similarly written complaint if they believe state or federal Jaws or regulations have been violated,

misapplied, or misinterpreted by the Department itself.
